

# ABOUT THE PROGRAM

Summer Reading at the Fayetteville-Lincoln County Public Library is a free, community-wide program for all ages. This year's theme, "Caution! Readers Under Construction," highlights how reading and literacy are built over a lifetime.

With 60+ programs across two months, Summer Reading welcomes 200-300 participants each year and helps bridge literacy and learning gaps through reading and hands-on experiences.

Strong local support helps bring larger programs to the community, including visits from the Adventure Science Center, Hands-On Science Center, Creative Discovery Museum programs, petting zoos, and other family-friendly events.
