

**AGES  
6-12**

Grab your hard hats—it's time to build your reading worksite! **Beginning June 15th (Week 1 begins June 15th), read 30 minutes a day for a total of 3.5 hours each week.** Each week you complete your reading goal, match the numbers on your tracking sheet and color in the corresponding areas. As you read, you'll build a construction crew member and reading worksite piece by piece. **Bring your completed tracking sheet to the library by July 31st to be entered into our grand prize giveaways.**

Attend five Summer Reading events for extra entries into our Grand Prize Giveaways!

Each event attended is 1 extra entry! See a staff member to verify attendance.

When you finish a week of reading, color in all numbered areas for that week using the guide! You choose the color for any remaining areas at the end!
